Lot Lighting – Exclusively from AMAROK!

Lot Lighting features durable, waterproof, dust-resistant LED lights that illuminate Electric Guard Dog™ fence perimeters of all shapes and sizes. Lot Lighting operates on either solar power or on electricity from your facility.

Install all-night lights, or lights that illuminate when alarms activate. AMAROK offers 25-watt and 55-watt LED lights, capable of covering up to 1,200 feet* in distance and 400 feet* in width.

AMAROK also offers two versions of an elliptical LED light that casts light in a wide, rectangular pattern.

Expose the dark, vulnerable areas of your property to deter and detect nighttime intrusion and theft. *Light Your Lot.*

Key Common Features and Benefits

- Outdoor, IP67 Rated
- Six Angle/Coverage Options
- Automatic Day/Night Switch
- Rugged Construction, Vandal-Resistant
